

Quebec City PROGRAM

MANUFACTURER'S CERTIFICATE OF QUALIFICATION

This is your proof that the Caddy by PSG product you have purchased qualifies for the Quebec City program.

Program for the removal or replacement of uncertified solid fuel burning appliances

The grant applies to appliances purchased from May 3, 2021.

SUMMARY:

This document certifies that the solid fuel burning appliance listed below meets the criteria of the Quebec City program to encourage the removal or replacement of solid fuel stove, furnace or boiler that are not EPA or CSA B.415.10 certified with respect to fine particles emitted into the atmosphere.

Homeowners should consult the program to determine whether they qualify for any potential grant.
